

I am writing to let you know that the K-Love radio station is mainly what I and my family listen to at home and when we are on vacation. It is great that it is broadcast throughout the US. I do not think it is appropriate to displace K-Love because of the new LPFM service. I know so many people who listen to K-Love, especially those who are unable to go to church because they are paralyzed, can't drive or can't travel for whatever reason. This is their opportunity to listen to Christian music, Christian messages and hear Bible verses being read over the radio. Thank you for reading this message, and I hope that I do not lose the ability to listen to K-Love wherever I go.
